Coloured tags  
on demand

# TEARPROOF TAGS IN SHORT RUNS

Solutions for decentralised on-demand printing of tearproof loop tags, hang tags and plant tags.

The tearproof properties of tags based on PICOFILM or ENDURO ensure a secure, permanent attachment of the tag to the good. On laser and inkjet printers, the media guarantee the highest print quality and brilliant colour reproduction. The roll-to-roll process ensures easy handling and high productivity.

## Special benefits:

- > Robust solutions for many applications
- > Flexible on-demand printing on blank labels – no pre-printing necessary
- > Can be printed on both sides depending on the product
- > Suitable for outdoor use depending on product & application
- > Low investment costs in printing technology
- > High product stability

On-demand printing makes it easier and cheaper to produce exactly the amount of tags you need, while meeting personalisation requirements.

- > Less waste with flexible on-demand printing on blank labels
- > Sustainable labels with FSC®-certified and recyclable ENDURO grades
- > Decentralised in-house printing reduces transport distances and CO<sub>2</sub> emissions

	Sort	Weight gsm	Thickness µm	Stiffness	Product stability	Scratch resistance	Water resistance	Inkjet	Laser	Printable on both sides
